

About Our Custom Phone and iPad Cases

With our custom cases the image or design is put on a metal insert that are made of high quality metal which produces vibrant color and is scratch and abrasion resistant. They have an antimicrobial additive to reduce harmful bacteria levels and are UV resistant. The inserts can be interchanged as often as you change your style or mood. The iPad 2 leatherette case has a printable top area with a fold-under flap for viewing.

Call, email or stop in our store if you have any questions.
